

# Sandringham Infant School

## PE and Sports Funding Summary for 2016-2017

As part of a government initiative, the school has been allocated funding each year, from the PE and Sports Grant. The money is ring-fenced and must be spent on improving the provision of PE and sport for the benefit of all the children at Sandringham School, so that they develop and maintain healthy lifestyles. Schools must account for this money and look at how it will impact on the provision of high quality PE and Sport in our school.

Target Area	Expenditure	Impact
<p><b>Network Meetings</b> Continue to attend regular network meetings within the:-</p> <ul style="list-style-type: none"> <li>• Kite Academy &amp;</li> <li>• Surrey Healthy Schools Partnership</li> </ul>	No Cost	Our PE co ordinate attends regular network meetings with other schools to share good practice, ideas and organise events within our Surrey Healthy Schools Partnership and the Kite Academy.
<p><b>Staff Training</b> Continue with staff CPD (EYFS PE course) Keep up to date with developments in PE and Sports.</p>	£408.00	One of our focuses this year has been to support our NQT with her professional development in PE through training and to observe PE sessions.
<p><b>Physical Development</b> To increase the activity levels of our children.</p>	£9200.00	Through pupil voice the 'hill' at the back of the school field is now in constant demand due to the playhouse and climbing wall. These resources continue to develop fine and gross motor skills and in particular the climbing wall allows the children to persevere and challenge themselves. Children are enthused about physical play and more ready to learn after playtimes.
<p><b>Resources</b> To entice the children to be more active during PE sessions and break times</p>	£2959.00 £1328.00	Playground markings will offer another element of physical activity and our Play leader and supportive playground assistants can act as cues to increase physical activity. There is a high level of demand to play on our new wheelie toys and a class rotation has been put into place to ensure everyone is able access these resources. All of the children have benefited in participation (PE sessions, break times, after school club) from an increase in PE equipment with the purchase of more games equipment.
<p><b>Healthy Lifestyles</b> Continue inter school competitions</p>	No Cost	Our children have continued to develop a very positive attitude toward competitive sports and a keen interest in a wide range of sporting experiences. The children are always keen to represent the school and continue to show mutual respect towards their peers and adults at these events. There is a greater understanding esp. from the Yr 2 children about the importance of healthy living and greater self belief. Increased parent involvement at these events.
