30th June 2017

Message from Mrs Money

The Summer term is the busiest one of the year and the last two weeks have been no exception. The sun shone for our Summer Fayre and a great time was had by all. A huge thank you to the Friends committee who worked so hard to organise the event which raised a fabulous £1450.

Thank you to those of you who came into school and set up your gazebos so that the children had plenty of shade during the very hot weather. The weather also held out for the school sports day. The atmosphere and enthusiasm from everyone made it a really successful event culminating in the parents, teachers and toddlers races. There did appear to be some confusion about ordering lunches and timings for taking the children home. Details were all sent in a sports day letter prior to the event and added as reminders to my bi-weekly newsletters. I would please urge you to read school notifications carefully as this is such a busy time of year for all of us.

Many of you have been asking about Mr Dengel and why it has been me unlocking the gates in the morning. He hurt his foot at home but is feeling much better so will be back with us next week. Being at the front of the school has given me lots of opportunities to talk with parents and children and even have a chance to hold a gorgeous baby. I have really enjoyed the last few weeks but of course look forward to Mr Dengel being back with us every day.

This week has ended with a flurry of excitement in Reception when Pirate Blackbeard finally returned Henry Hedgehog and Mario Mole after 'petnapping' them and leaving clues for the children to solve all week. The classrooms were awash with swashbuckling pirates, parrots and treasure...and the Reception team as always joined in with enthusiasm!

When I started as Head teacher in January I asked you all for your thoughts on how to make Sandringham 'even better'. In response to your comments I am delighted to tell you that we are having new gates and fencing installed during the Summer holidays across the whole front of the school. This will include new Nursery fencing and gates, fencing around the pond area, car park gates and an automated pedestrian gate which will have a video cam and will only be opened during school hours by the office staff via a 'buzz in' system. Along with the school offices and entrance hall being redecorated over the holidays the school is going to look quite different in September! Thank you for all of your positive comments in support of the way which Sandringham is moving forward. I couldn't do it without the commitment and enthusiasm of the staff and parents.

Wishing you all a relaxing weekend.
